*Beautiful homes inside & out*

---

*'Since Frank Dobson started our family business way back in 1935 on the same site which we remain today, we have prided ourselves on offering consistently high levels of customer service, great products and friendly knowledgeable staff to look after you. Now in the fourth generation of our family, we continue to transform homes with unfailing attention to detail. From luxury kitchens and bathrooms to glazed extensions and windows and doors, we have everything you need to make your house a beautiful home inside and out.*

*We hope you enjoy this taster of the many ways we can make a difference in your home and we look forward to talking to you about your latest project soon."*

## *Kitchens*

*Stoneham Holwood Anthracite Oak & Smooth Painted White*

*Stoneham Edwardian Dove Grey Painted*

Dobsons is proud to work alongside iconic British handmade furniture brand Stoneham. Our experienced designers will create new rooms that are functional, individual and stunning, enriching your life and your home. As well as the usual "dry fit" service, Dobsons offers a unique "complete project" approach that lets us take care of the remodelling and creation of your dream space and interior finishes. We are happy to work with private or contract customers and frequently collaborate with architects and interior designers.

Island units and fitted lounge furniture in Farrow & Ball's Mole's Breath.  
Corian worktops in Glacier White.*

Whatever the size of your project, we will create a kitchen space which is the heart of the home. It's a place for cooking, eating, entertaining, work and play, a place you will love forever and that will stand up to the rigours of modern life. All our projects are expertly overseen by our highly experienced project managers.

## *Beyond the Kitchen*

*Stoneham Holwood Anthracite Oak 'floating' drawer units below TV*

Our design expertise extends further than just the kitchen. We create beautifully designed, bespoke furniture for every room in the home, whether that's a bathroom, bedroom, living room or bar. From custom-built bookcases for studies, to cleverly designed storage boxes in playrooms, our impressive portfolio includes stunning home pieces and design solutions, built to last a lifetime.

## *Bathrooms*

Dobsons' comprehensive design and installation service takes care of everything for you. It begins with our experienced designers listening to your needs and working with you to make the most of your space. We can simply refresh and update an existing tired bathroom. Or we can reconfigure it to maximise the space's functionality, incorporating innovative and technologically-advanced bathroom component. With access to an amazing array of wall and floor tile designs and textures, printed glass or solid surface finishes, we can satisfy all design tastes.

*Finion bathroom collection*

*Keuco Plan Care*

*AXOR Front Shower Pipe*

All our projects are overseen by a dedicated project manager and undertaken by our professional teams of bathroom fitters, electricians, heating engineers, plasterers, tilers, floor layers and decorators. Our installation teams are extremely approachable and respectful of your home and belongings while working for you.

*Contemporary bathroom with wet area & freestanding bath*

We regularly create 'barrier-free' adapted rooms, cloakrooms, wet rooms, walk-in shower rooms and steam rooms. We can also undertake new bathrooms within bedrooms and take care of the remodelling and installation of fitted bedroom furniture as part of a whole project.

*Simple modern bathroom with walk-in shower enclosure & Otto wall-hung furniture*

*Keuco New Plan brassware & accessories*

*Keuco Edition 11 basin mixer*

*Geberit Mera bidet shower toilet*

Dobsons is proud to partner high quality and luxury European and British bathroom brands, such as Villeroy & Boch, AXOR/Hansgrohe, Geberit, Keuco, Bette, Aqata, Aqualisa, Helo and Bisque, to name just a few.

*Keuco Edition 400 ceramic basin & glass top*

*Cast mineral bath with Keuco Edition 400 bath/shower mixer*

## *Windows & Doors*

Double glazing has been a part of our business for nearly 40 years and we consider ourselves to be the local experts when it comes to the installation of quality windows and doors. We do things differently to most double glazing companies; no high pressure sales, gimmicks or unrealistic offers. We will always consider the right style and design to suit your property when quoting and offer a fair and straightforward price for our service, which includes using our own employed installers every time, so you can be sure that the finish is consistently good.

*Aluminium anthracite bi-fold doors*

*Storm2 timber-alternative window with leads*

*Heritage flush casement windows*

We offer a large range of windows in many different materials, styles and finishes to suit your home. These include PVCu, aluminium, timber and our new timber-alternative, offering traditional timber looks with the benefits of low maintenance and greater energy efficiency. Sliding sash windows for period properties and conservation areas are also available, so whatever your requirements, Dobsons is here to help.

*Panoramic aluminium bi-fold doors into open plan kitchen/dining area and glazed extension*

All of our comprehensive range of traditional or contemporary doors are available in a variety of materials and colours, all have multi-point locking with a choice of handle styles and finishes, giving you complete security with exceptional looks. Panoramic bi-fold and sliding doors will give your home wide open spaces allowing air and light to flood in, instantly creating a contemporary look and feel. Easy to use, energy efficient and completely secure, they are also available in a range of materials and finishes.

## *Glazed Extensions*

If you have always dreamed of some extra living space, perhaps for entertaining, dining or just relaxing, then there are endless ways our glazed extensions can open up your home. Be it fully glazed or predominately brick, with a lantern roof and bi-folding doors, we offer the complete service, including applying for necessary permissions, undertaking building work and all the finishing touches such as flooring, air conditioning and decoration.

*Interior of Loggia glazed extension*

*Contemporary anthracite orangery with sliding aluminium patio doors and roof lantern*

*Contemporary glazed extension with large roof lantern and LED down-lighters in insulated pelmets*

Our contemporary glazed extensions offer you an exciting and inspiring alternative, combining the very best of both worlds. Enjoy the light, open feeling of a conservatory and the tall, pillared grandeur of an orangery, always warm, welcoming and cosy, thanks to advanced insulation technology and thermally efficient glass.
