*"Since Frank Dobson started our family business way back in 1935, on the same site on which we remain today, we have been proudly offering consistently high levels of customer service, great products and friendly knowledgeable staff to look after you. Dobsons is now managed by 4th generation family members and continues to transform homes with unfailing attention to detail. Our reputation was hard won and speaks for our commitment to all of our customers.*

*We have put together a taster of the many ways that we can make a difference in your home. Come and see us to talk about your new kitchen, bathroom, bedroom, glazed extension, windows or doors - our coffee is always fresh!"*

Dobsons is proud to work alongside iconic British handmade furniture brand Stoneham. Our experienced designers will create new rooms that are functional, individual and stunning, enriching your life and your home. As well as the usual “dry fit” service, Dobsons offers a unique “complete project” approach that lets us take care of the remodelling and creation of your dream space and interior finishes. We are happy to work with private or contract customers and frequently collaborate with architects and interior designers.

Regardless of the size of your project, we are passionate about creating a kitchen space which is the heart of the home. It's a place for cooking, eating, entertaining, work and play, a place you will love forever and that will stand up to the rigours of modern life. All our projects are expertly overseen by our highly experienced project managers.

## *Beyond the Kitchen*

*Stoneham Holwood Anthracite Oak 'floating' drawer units below TV*

Our design expertise extends further than just the kitchen. We create beautifully-designed, bespoke furniture for every room in the home, whether that's a bathroom, bedroom, living room or bar. From custom-built bookcases for studies, to cleverly-designed storage boxes in playrooms, our impressive portfolio includes stunning home pieces and design solutions, built to last a lifetime.

## *Bathrooms*

Dobsons' comprehensive design and installation service takes care of everything for you. It begins with our experienced designers listening to your needs and working with you, to make the most of your space. We can simply refresh and update an existing tired bathroom. Or we can re-configure it to maximise the space's functionality, incorporating innovative, technologically-advanced and stunning new bathroom component, with an amazing array of wall and floor tile designs and textures, printed glass or solid surface finishes to satisfy all design tastes.

*Keuco Plan Care*

*AXOR Front Shower Pipe*

All our projects are expertly overseen by our experienced project managers and undertaken by our professional teams of bathroom fitters, electricians, heating engineers, plasterers, tilers, floor layers and decorators. Our installation teams are extremely approachable, looking after you and respecting your home and belongings whilst working for you.

*Contemporary bathroom with wet area & free-standing bath*

We regularly create 'barrier free' adapted rooms, cloakrooms, wet rooms, walk-in shower rooms and steam rooms. We can also undertake new bathrooms within bedrooms and take care of the re-modelling and installation of fitted bedroom furniture as part of a whole project.

*Simple modern bathroom with walk-in shower enclosure & Otto wall-hung furniture*

*Keuco New Plan brassware & accessories*

*Keuco Edition 11 basin mixer*

Dobsons is proud to partner high quality and luxury European and British bathroom brands, such as Villeroy & Boch, Axor Hansgrohe, Geberit, Keuco, Bette, Aqata, Aqualisa, Helo and Bisque, to name just a few.

## *Windows & Doors*

Double-glazing has been a part of our business for nearly 40 years and we consider ourselves to be the local experts when it comes to the installation of quality windows and doors. We do things differently to most double glazing companies; no high pressure sales, no gimmicks or unrealistic offers. We will always consider the right style and design that suits your property when quoting and offer a fair and straightforward price for our service, which includes using our own employed installers every time, so you can be sure that the finish is always consistently good.

*Aluminium anthracite bi-folding doors*

*Storm2 window with Georgian bars*

*Heritage flush casement window*

We offer a large range of windows in many different materials, styles and finishes to suit your home. These include PVCu, aluminium, timber and our new timber-look windows, offering traditional timber looks with the benefits of low maintenance and greater energy efficiency. Sliding sash windows for period properties and conservation areas are also available, so whatever your requirements, Dobsons is here to help.

*Panoramic aluminium bi-fold doors into open plan kitchen/dining area and glazed extension*

Our comprehensive range of traditional or contemporary doors are available in a variety of materials and colours, all have multi-point locking with a choice of handle styles and finishes, giving you complete security with exceptional looks. Panoramic bi-fold and sliding doors will give your home wide open spaces allowing air and light to flood in, instantly creating a contemporary look and feel. Easy to use, energy efficient and completely secure, available in a range of materials and finishes.

## *Glazed Extensions*

If you have always dreamed of some extra living space perhaps for entertaining, dining or just relaxing, then there are endless ways our glazed extensions can open up your home. Whether it be fully glazed or predominately brick, with a lantern roof and bi-folding doors, we offer the complete service, including applying for necessary permissions, undertaking building work and all the finishing touches such as flooring, air conditioning and decoration.

*Bi-fold doors in a large glazed extension with twin roof lanterns and open plan kitchen, dining and family area*

*Interior of Loggia glazed extension*

*Contemporary glazed extension interior*

Our contemporary extensions offer you an exciting and inspiring alternative, combining the very best of both worlds. Enjoy the light, open feeling of a conservatory and the tall, pillared grandeur of an orangery. Always warm, welcoming and cosy, thanks to advanced insulation technology and thermally efficient glass.
