Urban Theme

Urban Theme sets the standard to which we measure all of our kitchens.

Manufactured in Germany, Urban Theme offers class leading design options coupled with world beating quality and attention to detail.

Subtle white wood structure contrast with your chosen colour.

Handles are not necessary thanks to the integrated grooved strip creating a seamless look over the entire space.

Teal & yew white

Metallic carbon & white high gloss lacquer

Architecture in kitchen design.

The metallic effect fronts contrast with the slim white tall units to give an ultra modern space creating feel.

Design and function.

Create your perfect workspace with customised technical solutions for storage such as these glass lift up wall units.

Natural oak rough cut finish

Pearl grey

Create a fresh look with contrasting materials and an integrated breakfast bar to bring everyone together.

Mix open shelves and cabinets to add flexibility to storage.

Urban Trad

Our Urban Trad range combines traditional looks and materials with modern standards and build quality.

Whether you're looking for an in-frame farmhouse kitchen or something a little more contemporary without being ultra-modern, this is the range for you.

Cashmere matt

Cornwall oak & white matt

Magnolia matt

Cornwall oak timber frame

Black oak rough cut veneer
