COLONIAL KITCHENS PROUD TO BE MADE IN BRITAIN

Colonial Kitchens are manufactured in a state of the art production facility in the Rossendale Valley in the heartlands of South East Lancashire.

For the past seven decades we have grown from what started as a local joinery business into one of the countries leading manufacturers of Kitchen furniture.

Our kitchens offer the widest range of highly attractive furniture designs to make the most of your kitchen.

The extensive and carefully thought out range offers the broadest range of door, drawer and glazed unit sizes available enabling combinations to be created that will ensure your kitchen is attractive, functional and unique to you, doors are complimented by a range of tasteful handles.

To add that finishing touch we offer a range of internal fittings and accessories for you to create the perfect storage environment.

OUR ENVIRONMENTAL AND CONSUMER CREDENTIALS

We consider ourselves to be an ethical based manufacturer whose principles are founded on the reduction of our carbon footprint, a responsible approach to both quality and the satisfaction of our clients.

In meeting the former, we achieved national recognition via the Green Apple Award, further reinforced by obtaining the ISO 14001 & ISO 50001 standards.

Book of Kitchens 10-Year Guarantee
We are very confident within the quality of the kitchens we manufacture. In the unlikely event that any of the units prove defective as a result of faulty design, materials or manufacturing processes, during a period of ten years from date of purchase, COLONIAL KITCHENS will replace or repair at our discretion, providing proof of purchase has been retained by the original purchaser. The guarantee applies to units & doors only and excludes colour fade, due to mellowing & sunlight. Any claims must be made as soon as the fault becomes apparent by the original purchaser, through the retailer whom the product was purchased.

a world of kitchens redefining living environments

Offering another world in kitchens by redefining the environment within.

Inspired by the quest to revitalise the living, working, dining space, each area represents a personal world where inspired design blends effortlessly with superior aesthetics.

We invite you to discover within our book of kitchens a different range that offers each individual the chance to create their very own world, special and totally unique.

To make your kitchen special we offer the broadest range of door, drawer and glazed unit sizes available enabling combinations to be created that will ensure your kitchen is attractive, functional and unique to you.

Cabinets are manufactured in textured and wood grained 'effect' colours.

Avola White

Handle Ref: 780

Sicily's Avola region produces bold, strong, rich wines on volcanic soil and is famed for its light fresh airy appeal.

The Avola range of doors could be said to mirror this assertion, the colours complimenting each other yet independently cover the spectrum of hues from the rich red brown of Avola Truffle, light washed pumice of the Avola Grey, the sparkling pinks of Avola Champagne to the strength of light irradiated by Avola White.

Individually or integrated, the colour palette affords the opportunity to create truly stunning kitchens.

Pendle Timber Painted

Discerning homeowners have always appreciated care and attention that goes into the creation of a hand painted kitchen. We have applied the craftsman's skills to our Pendle kitchen and are delighted to offer it to you in a choice of twelve beautiful colours, each one inspired by nature's ever changing moods.

At our specialist paint workshops, the subtle colour tones are over laid onto a lightly brushed Ash body, adding not just colour but texture to create a luxurious visual effect.

You can opt for a kitchen in one colour or perhaps combine two colours to create a contrast, with Pendle's Hand Painted range the options are many, and the result is a kitchen as unique and special as you, its owner.

After all, a kitchen that is hand painted to order, is a truly unique kitchen.

Pendle Jute

Jute is a highly distinctive and original colour, its light fawn shade thickened with a shot of soft grey clouds.

A natural earth shade widely favoured by interior designers.

Jute lends the Pendle kitchen a tailored look radiating taste and success on the part of its owner but without a hint of ostentation.

Pendle Jute is perfect as a stand alone colour, but looks impressive too when mixed with Pendle Oyster, Cream or Oak finishes.

Pendle White

Always a popular colour, this excellent white kitchen with open and closed grain doors reflects more than light into your home.

Appliances, vases, toasters, food mixers and pictures all spring to life in a white kitchen, so shape and style your design, maximise on the sight line with fine detail to create a very special kitchen.

Pendle Moss

This pastoral, pale green hue at first sight suggests it would date a kitchen yet it looks modern and even contemporary when applied to the Pendle kitchen where its lustre lends the cabinets, doors and drawers a tactile appearance and the kitchen an overall look of subtle grandeur.

A true and natural shade of the Pendle countryside, its both smart and practical, an informed choice for the homeowner seeking originality.

Pendle Pastel

This beautiful colour has as its base a blend of soft blue tones into which has been infused a drizzle of silver grey dawn.

Walk into a Pendle Pastel kitchen and you'll be stepping into a kitchen that breathes freshness and invigoration.

The effect is enhanced by the inclusion of light fawn coloured decor.

Pendle Oak blends in perfectly with Pendle Pastel whilst the ambiance of the entire kitchen can be turned up or down by careful choice of colours for the walls, splashbacks and tiling.

Haddington Oyster
